3 . Data sources and quality

69.90% of sampled businesses were included in the final Annual Business Survey (ABS) results in 2024. Quality measures for the ABS results are available in our [Non-financial business economy, UK: quality measures dataset](#).

Employment data

The employment data have been removed from this publication. These data can be found in our [Employees in Great Britain: 2023 bulletin](#). This bulletin includes data from the Business Register and Employment Survey (BRES), downloaded from the [Nomis web portal](#).

Data sources and collection

The ABS is a sample survey of approximately 73,000 businesses across the UK. The ABS draws its sample from the [Inter-Departmental Business Register \(IDBR\)](#).

Quality and methodology

More quality and methodology information on strengths, limitations, appropriate uses, and how the data were created is available in our [ABS quality and methodology information \(QMI\) report](#) and in our [ABS technical report](#).

Accessibility of Annual Business Survey output datasets
